Do you have an archive of those statements, or did you hand them over with the accounting folders you gave? If latter, where can I find them?

Hi there! I do not recall having access. I think I would just receive the statements through regular mail and reconcile the account from there.

Hi Joan - I feel like I may have asked you but Chris Gembinski at Sutton has asked again, but did you have past access to the PAC's Bank of America account? He's asking to send them 2017 bank statements, but none of us had access to it.
